Welcome to the Heart of Northumberland.

This historic pub has been given a breath of life after a major refurbishment in 2015. The refurbishment got this stunning grade two listed building back open after being semi derelict and closed for years.

It's a place to relax, socialize and celebrate with friends, family or even just you and your dog. Everyone is welcome.

The food is for all occasions and appetites. The emphasis is on local produce and Northumbrian tradition. Light bites, hearty wholesome pub grub, bar snacks, kids food and of course our fantastic Sunday lunch to rival your mothers!
